## DP475 FRANKING MACHINE

### UNRIVALED EFFICIENCY WITH THE DP475

MANAGE INBOUND DELIVERIES

Don't waste a great opportunity to promote your business – day after day after day. Print every envelope you frank with a powerful marketing message and you could see your profits soar.

Getting your mail out the door and to its destination shouldn't be a chore. The DP475 Franking Machine makes it an almost effortless process that is integrated into your business. Process mail of mixed size and weights at the touch of a button meaning your staff can concentrate on more productive tasks.

What's more we make it easy for your staff. You can preset up to ten jobs for quick access to routine tasks and the QWERTY keyboard with full colour display means that new staff members can get up and running in a matter of minutes. It also keeps noise levels low and takes up minimal space.

The DP475 can save your business time and money.

#### **DP475 Benefits:**

- Fast Easy and Flexible
- Automatically feeds, seals and prints correct postage.
- Runs at speeds up to 120 letters per minute, up to 80 LPM in D-o-W mode.
