

ENTRY LEVEL FRANKING SYSTEM

U28 FRANKING MACHINE

The FMC U28 is the perfect franking machine for up and coming businesses, offering sophisticated features in a compact package.

U28 FRANKING MACHINE

U28 CREATED FOR GROWING BUSINESSES.

The FMC U28 is the perfect franking machine for up and coming businesses, offering sophisticated features in a compact package.

No more queuing at the Post Office. No more guessing the correct postage. No more running out of stamps. The FMC U28 can be re-credited on-line with postage 24 hours a day, 365 days a year.

U28 FEATURES

- Save up to 34% versus stamps*
- High quality digital printing
- Integrated 2kg scale
- PIN-protected access
- Up to 10 custom slogans
- Departmental Accounting

MAKE YOUR MARK IN STYLE

With the U28, you'll enjoy a more professional image and free advertising. You can easily customise your mail message to include your company name, special greetings or marketing slogans.

ACCURATE PRICING:

The U28 comes loaded with all the Royal Mail UK inland and international postal rates, giving you the exact price for all its services. The integrated 2kg digital weigh platform accurately sets the machine to the correct value so there's no risk of over or under-stamping. Calculating the correct postage is easy with our on-screen rate wizard.

POSTAGE SAVINGS

As an U28 user you will automatically

receive a significant discount on every item of mail you send, no matter if it is first class or second class, and on all parcels up to 2 kg.

ROYAL MAIL ANNOUNCE MAILMARK™

Mailmark™ combines a new barcode with innovative optical technology and digital performance reporting. When you adopt Mailmark™, you'll know where your mail consignment is in the network, when it's scheduled to arrive and how well it performs – all at a click.
